

THE ESCAPE

27TH ANNIVERSARY

12TH - 14TH MARCH 2021, CYPRESS LAKES, HUNTER VALLEY

Since 1994 we've been coming together in support of children, adults living with cerebral palsy and have helped to raise an incredible **\$17.5 million** in funding. But with **1 baby being born every 20 hours with CP**, we need your help now more than ever before.

Mr. Rob White, CEO of Cerebral Palsy Alliance and Mr. Ian Mayer, Managing Director of Chatswood Toyota and Ryde Toyota invite you to join us for The Escape Event, together with a distinguished guest list from the media and complimentary industries, for a weekend of fun.

Due to COVID-19 public health orders and government restrictions, Escape! 2021 will be an adults only event. This year we have strictly limited capacity, so we'd encourage you to confirm your place early.

A limited number of team packages are now available.
